Presidents Report

Members

Hello All,

At last the weather has changed and we can enjoy our cars a bit more.

The garage crawl was well attended and thanks must go to Stuart Gear, Doug Draeger, Peter Hilliard and Al Campbell for opening up their sheds and showing members what lurks behind. There is some amazing mechanical stuff that has been collected over the years or being worked on and it was a delight to see. A special thanks to Al and Aileen Campbell for hosting the bbq at the end and also to club hostess Lisa for the rissoles, salads and sweets.

The Bangtail Muster is just around the corner and entry forms are out now. In the old days it was easy to know what community events were coming up, now it requires a bit more searching but I'm reliably told it is on. Expect an SMS closer to the time with details of when and where.

The next 3 general meetings have been pushed back to the third Sunday of the month. This year the committee decided to not compete with Easter Sunday, Mother's Day and Finke bike race so adjust your calendars for the next 3 months.

Accordingly the next General Meeting is Sunday 16th April 9.00am at the Harry Griffiths Memorial Hall in Church St. This will be followed hopefully by a run to the Drag Strip on the South Stuart Hwy for a line up and photo shoot. The arrangements are currently being worked through by our Treasurer and should be sent via SMS and presented at the next meeting.

Members may note a change of editor. With Doug's additional workload in what is a growth industry, it was difficult to produce Centre Spoke by himself so the decision was made to introduce a joint editorship arrangement between Liz and Doug. Welcome back Liz and thanks for volunteering, the show must go on as they say...

Happy motoring and see you at the next meeting,

Trevor Jacobs

JOKE PAGE

Jeronimo was hitch hiking into town to get a case of beer and got picked up by a hot rodder. The hot rodder put his foot to the floor and drove at 80km into town. Jeronimo asked the hot rodder ..

"Hey Why you drive so fast?" to which the hot rodder replied

"Keeps the inside cool, keeps the outside cool"

Later Jeronimo was riding his horse across the desert at full tilt screaming

"Keeps the inside cool keeps the outside cool, Keeps the inside cool keeps the outside cool " when the horse dropped dead from sheer exhaustion at which point he said

...."Hmmmm, must have froze"

Joe was out for a cruise with his favourite girl , as they cruised the back roads Joe secretly reach down and turned off the engine and let it coast to the side of the road . She says " your not going to tell me you ran out of gas are you ? That's the oldest trick in the book and I'm not falling for it !"

Joe said " Why baby ! I would never think about doing that to you

Besides I'm into the here after"

She said "I don't get it " to which Joe answered

"Its like this Baby , If you ain't here after what I'm here after , Well I'm afraid you are gonna be here after I'm gone"

Know why the British don't make computers?

They couldn't figure out how to make them leak oil

What do you call an MG with dual exhaust?

A Wheelbarrow

I saw a sign at a gas station. It said "help wanted."

There was another sign below it that said "self service."

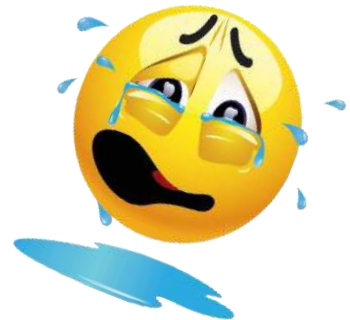

So I hired myself.

then I made myself the boss.

I gave myself a raise.

I paid myself.

Then I quit.

Overlander Badge History & Particulars

The members of the **Alice Springs Vintage & Veteran Car Club** originally created this very special and much sought after award in the mid 1970s in recognition of the many Veteran, Vintage and Classic motor vehicles whose drivers took up the challenge to travel from interstate to visit Alice Springs. Back in those days the roads to Alice were not the wide, smooth roads we have today but were narrow, undulating strips of bitumen with rough shoulders and causeways where we now have all weather bridges. The Stuart Highway from Port Augusta to the Northern Territory border was still a rough boulder strewn, bull dust and corrugated dirt track which tested the endurance of man and his machine. The sealing of this part of the Stuart Highway was not completed until 1987. The award was appropriately named the **OVERLANDER BADGE** to commemorate the vast distances covered on these roads, the confidence or blind faith the owners had in their vehicles, and the courage of the drivers and passengers who travelled in them to reach Alice Springs. In July 1996 when the **Motor Enthusiasts Club of Central Australia** was formed and incorporated the **Alice Springs Vintage & Veteran Car Club** it was decided that a new category be established to award vehicles from 1947 to a rolling date of 30 years old that make the journey to Alice Springs. This is called the **Special Interest** category.

Today the **OVERLANDER BADGE** is available to anyone who is confident enough to take up the challenge to drive their Veteran, Vintage, Classic or Special Interest vehicle or motor cycle either to or from Alice Springs over an approved distance. The Badge can only be awarded to the nominated driver and vehicle which must arrive at or depart from Alice Springs and cover the specified distance under the vehicles own power.

THE APPROVED DISTANCES FOR THE FOUR CATEGORIES ARE:

Veteran:	Up to 1919	500 kilometres
Vintage:	1920 to 1930	1500 kilometres
Classic:	1931 to 1946	3000 kilometres
Special Interest:	1947 to 30 years old	3000 kilometres

The badges differ in design to distinguish the different categories:

Veteran Badge:	White tyre, red spokes, silver grey background and yellow scroll.
Vintage Badge:	Black tyre, green spokes. Silver grey background and yellow scroll.
Classic:	Black tyre, orange spokes. Silver grey background and yellow scroll.
Special Interest:	Black tyre, blue spokes. Silver grey background and yellow scroll.

TO APPLY for the badge, contact your club secretary, or apply directly to the MECCA Club secretary. An application form will be sent to you or your club secretary, as required. This form is self-explanatory and must be returned to the MECCA club secretary on completion of the road kilometre requirements. Fee for the badge and engraving is \$75.00. We recommend payment in advance, ie., upon application, to ensure engraving is completed in time for presentation at the completion of your trip.

ALL APPLICANTS, whether arriving from interstate or originating in Alice Springs, must submit reasonable proof of their completion of the qualifying road kilometres in order to be awarded the Overland Badge. This is typically in the form of fuel receipts from the service stations along the route.

AFTER APPROVAL by the Overlander Badge committee, the badge applicable to your vehicle will be duly inscribed with the applicants name and vehicle and registered in our files. The badge will then be posted to you or your club secretary's postal address, as specified. If you have completed your required kilometres upon arrival in Alice Springs, MECCA can present the badge to the applicant in person.

For further inquiries email us, or drop us a line at the above addresses.

EDITORS PAGE

I know what you are thinking - what happened to Doug?

Well I rang Doug as he has limited time as work has taken over and hasn't got available time to do CentreSpoke so I offered my services.

Was that a wise move? I am still processing that decision.

Doug - well he was overwhelmed - he couldn't say yes fast enough so you got me for this edition until Doug sorts out his work ethics.

Well what an exciting end of the year - Christmas lunch at Turf Club - I don't think anyone anticipated the horse racing and it was a education, very noisy and poor Kris Kringle had trouble finding ticket holders for their presents, eventually the goodies bag was empty.

Breakfast at Olive Pink was exciting meeting everyone again and what a turnout, food was pretty good even though the food people had trouble locating clients because we were all talking too much.

The Garage Crawl - It was a surprise as we did not know where we were off to until the morning meeting - well done organizers.

First off to Stuart and Marie's —Stuart has been very busy excellent restoration in progress, off to Doug and Elaine's place - lots there for Doug to restore, then around the corner to Pete's place - wow so many bikes - Pete needs a bigger shed, last of all off to Allan and Aileen's to view their sheds - yes sheds - very impressive.

Raelene and Pam (friend) cooked the BBQ - Sausages, hamburgers, onions while Lisa and Neville decked the table with bread, salads and accessories, then when we had eaten out came desert. Well done, no need for tea - HA HA

Thank you Allan and Aileen opening up your home for lunch and to Lisa and Neville for all the preparation for lunch - what would we do without you.

Wow we have a lot of events this year so it should be good, also we have new members so the club is growing.

Well that's my job done - enjoy and we'll see what happens next month.

Our next meeting is 3rd Sunday in April 16th April at 9am then a run to Drag strip and we will probably all be home for lunch - bugger no BBQ

Happy Easter everyone

Enjoy Liz
